

CLE COMPANION

FINANCIAL HARDSHIP POLICY

Date of Instatement: 01/08/2019
Approved By: Kristin Davidson, CEO

COURSE FEE WAIVER

Waiver of Course Fees

It is the goal of CLE Companion that no attorney be refused participation in CLE courses for inability to pay. While we generally collect fees prior to course attendance, attendees who demonstrate a need may qualify for a financial hardship discount or course fee waiver.

Financial Hardship

CLE Companion may waive or reduce purchase price of courses to attendees who demonstrate financial hardship and who qualify for such discounts, based on inability to pay. Financial hardship will be determined in accordance with the policy developed by the Department of Health and Human Services. The waiver or discount will vary based on the attendees income level and family size. If you do not qualify based on the determination above, you may still qualify under our partner grant program.
